Scoring - Overall Winner (Jolipestal Trophy) is by the resultant **Shots Difference** from each of the individual Club's games added together **first**, and if a **tie** - then cumulative **Ends Won**. Also **Highest Up Rink** (Individual outwith the Overall Winners - more drink (>)) - **Shots won** and if a draw - then **Ends won**

Team Members - In this competition it is thought that it maybe of interest to Clubs that a record of who played on the day is listed. In order to make this possible it is requested that a team's **Scorecard** is fully marked-up with the names of all the members playing (printed - if possible). In the above listings there is the odd ? against some names, this is as a consequence of the writing on the **Scorecard** being illegible. sorry. However if you are viewing this table and wish to have any names amended then please contact us - [HERE](#) - Thanks!
