Presidential Musings

Hello

Welcome to the start of another curling season. I hope you had, and are still enjoying, the summer break but it is time to check out those curling shoes!

Do you like my photo? This is my official RCCC photograph as I am the Child Protection Officer at Hamilton ice Rink (Curling only). My hairstyle has changed since the photograph was taken and, speaking of hairstyles, my news is that I broke my ankle during the summer holidays en route back from Glasgow after visiting the hairdressers. Off to Wishaw General I went and got my ankle/leg plastered—I can only say I had the nicest hair-do in the hospital that evening although Wishaw General was not my proposed destination. I am now out of plaster and moonboot and am mobile again but I attend physio next week so I can only keep my fingers crossed that physio will get me on the ice at the start of the season!

Speaking of broken bones I need to report another member who fell and sustained arm and leg injuries. Did she go to the doctor? No, she went on holiday but as she couldn't hold a golf club properly or get full movement back to her hand, she eventually went to the hospital several weeks later only to find she had broken two fingers in her hand! Well, Anne Ramsay, you will be stubborn!! However, Anne is progressing well also.

I am writing to invite you all to a Pre-Season meeting at the Crown Tavern, Lanark on Wednesday 17 September at 8 pm in the upstairs lounge. This gives us a chance to meet our skips: collect fixtures booklet and meet our new members. I am resurrecting this pre-season meeting as it was something we used to do when I first joined the club. I hope you will come along and have a drink and chat prior to doing 'battle on the ice'.

I am delighted to report that we have several new members this year. We met both Iain Cogle and Dot Moran at the end of last season but we must say “hello and welcome” to June Faulds, Joanne Burt, Louise Gemmell, Bill Stewart and Mike Strickland. This is a tremendous boost of new members and I’m sure they will enjoy curling with Lanark as we will enjoy curling with them.

I am looking forward to my Presidential two-year office as life is made much easier with the hard-working committee Lanark CC has. Frank and I will work closely together in all club arrangements. Bill is busy familiarising himself with the Secretarial role again and Moray has taken up the organisation of our weekend away at Stranraer. It would be good to see a large crowd attend Stranraer in February as this is a really enjoyable weekend. Tom will be kept busy as Match Secretary at the beginning of the season as several members are away on holiday—however, Tom always rises to the challenge. Bob will be presently contacting you all with ice fees. Brian and Miller are great support also so I must thank everyone for their time and effort.

I have attached the fixtures booklet also but there is one glaring typo error. **Please note that the first date of the Pairs Competition is 30 October (and not 30 September as printed).**

Well done to Hugh Campbell for being the first person to spot the error!

Our Opening Bonspiel is being held on Wednesday 24 September at 5.45pm (with meal to follow) and I have invited former members as well as Honorary Members as it would be nice to have a ‘nostalgic’ evening with well-kent faces.

Looking forward to seeing you all soon.

Best wishes
